V ONE TWIN 25

The V One's revolutionary design boasts beautiful sleek lines, exceptional performance, best-in-class upholstery, no wood, no rot guarantee deck is no doubt our harbinger into this dual-engine category. Luxury, performance, and quality, coupled with a lifetime of enjoyment, equals the right motor, right boat, right decision. Are you ready to take flight in our V One: Twin Engine?

The striking fiberglass exterior style will turn heads on the lake, while the geometrically patterned interior upholstery will turn all your passenger's stress and worry into utter bliss. The engineering accuracy of construction, plus the impeccable pairing of state-of-the-art audio, lighting, and navigational features, are positioned on top of our patented all-welded interlocking deck system. The flying luxury of the V One Twin Engine spoils both the captain and passengers alike. The control tower is calling.
